FROM THE DESK OF CHAIRMAN

The quarterly magazine of BRCM Education Society “**Samagra Shiksha**” reflects various academic and non academic activities that reflects the talents of the students through their creativity and innovative abilities & skills which leads to the overall growth the students as well as of the various institutions which are managed by the Society under the leadership of dedicated Heads of the various Institutions. It is a matter of great satisfaction that that since last 31 years, the Flagship of BRCM Group of Institutions are moving ahead with its vision and missions in the field of education which is directed towards excellence to put BRCM as one of the brand name not only on the map of Haryana rather on map of India too.

Ballaram Hanumandas Charitable Trust (BHCT), which has heralded its educational institutions through **BRCM Education Society**, has already established many institutions in past from school to higher education level. Last year, BHCT established **BRCM Skill Development & Training Centre (BRCM STDC)** an exclusive centre to train people to become skilled and employable through various courses of NSDC, PMKVY, RSETI, LUVAS, Haryana Skill development Mission under “**Saksham**” and other short term vocational training programmes which are being organized by BHCT. The economic development of any society/state/country depends upon the literacy rate and BHCT has always been instrumental in promoting education for all section of society around Bahal by its educational initiatives. In this context, Trust is promoting Vocational Skill Training Program to train youths to become skilled and self employable.

The Trust has now established **BRCM Law College** located at Vidyagram Campus, Bahal (Haryana) which would be commencing its Academic Session from 2018-19. The College is the amalgamation of natural magnificence with modern architectural brilliance and state-of-the-art facilities. **BRCM Law College** has been set up especially for the rural students of this area

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education.”

- Martin Luther King, Jr.

as no Law College exist within the radius of 60 Km. of Bahal and students of this area were deprived of Legal Education. **BRCM Law College** will continuously engage in nurturing talents not only from Haryana rather other states of India too, to contribute to social development in the field of law that encompasses advocacy, legal service, legislation, law reforms etc. The College will continue to pursue harmonious integration of valued traditions with modern outlook that constitutes the core philosophy of BHCT's educational initiatives.

I appreciate the blessings and contribution of all our well-wishers, parents, alumni, students and over and above my dedicated Team of BRCM who has contributed enormously for the growth of this organization over the past so many years. I would especially like to appreciate and thank the committed and dedicated members of editorial board of “**Samagra Shiksha**” for their efforts in designing, editing and publishing the XXIII edition of magazine for our valuable readers. May God Bless everyone !!!!

“बदलते परिवेश में महिलाओं का योगदान”

इतिहास से लेकर आज के आधुनिक युग तक अगर नज़र डालें, तो भारतीय समाज में स्त्रियों का योगदान पुरुषों के मुकाबले कम नहीं है। बदलते समय के साथ साथ स्त्रियों ने भी पुरुषों के साथ ही हर क्षेत्र में तरक्की की है, जिस पर कभी पुरुषों का वर्चस्व हुआ करता था। यदि हम एक महत्वपूर्ण पहलु का अवलोकन करके देखें तो ज्ञात होगा कि हिन्दुत्व की धार्मिक आस्थाओं में नारी शक्ति को सबसे महत्वपूर्ण शक्तियों के रूप में अलंकृत किया गया है चाहे वो ज्ञान की देवी सरस्वती, धन की देवी लक्ष्मी, शक्ति की देवी दुर्गा हो। स्वयं देवों के देव महादेव शिव ने अर्धनारीश्वर का रूप धारण कर नारी शक्ति की महत्ता को प्रकट किया है।

कौन भूल सकता है माता जीजाबाई को, जिसकी शिक्षा – दीक्षा ने शिवाजी को महान देशभक्त और कुशल योद्धा बनाया। रानी लक्ष्मीबाई, रजिया सुल्तान, चाँद बीबी और मीरा के शौर्य, जौहर एवं भक्ति ने मध्यकाल की विकट परिस्थितियों में भी अपनी कीर्ति का झंडा फहराया। इतिहास साक्षी है, जब –जब

समाज या राष्ट्र ने नारी को अवसर तथा अधिकार दिया है, तब-तब नारी ने विश्व के समक्ष श्रेष्ठ उदाहरण को प्रस्तुत किया है। दोहरे दायित्वों से लदी महिलाओं ने अपनी दोगुनी शक्ति का प्रदर्शन कर सिद्ध कर दिया है कि समाज की उन्नति आज केवल पुरुषों के कंधों पर नहीं, अपितु स्त्रियों के हाथों में भी है।

शांतिदूत मदर टेरेसा ने विदेशी होते हुए भी भारत को अपना कर्मक्षेत्र बनाया। कलकत्ता में ‘द सीक्रेट ऑफ द मीसनरी ऑफ चैरिटी’ नामक संस्था के माध्यम से उन्होंने दीन-दुखियों, लाचारों की सेवा का बीड़ा उठाया। उन्होंने करुणा तथा प्रेम को नया अर्थ प्रदान किया।

वर्तमान में महिलाएँ महानगरों में महापौर, मुख्यमंत्री, केंद्रियमंत्री, रक्षामंत्री व राज्यमंत्री के पदों पर आसीन हो देश की प्रगति के लिए कार्यशील हैं। देश के विभिन्न राज्यों के ग्रामीण क्षेत्रों में पंचायतों में भी महिलाएँ विभिन्न पदों पर आसीन हैं।

आज मीडिया, पत्रकारिता एवं जनसंचार के क्षेत्र में भी महिलाओं का वर्चस्व कायम है। सेना, वायुयान उड़ाना, पर्वतारोहण आदि क्षेत्रों में महिलाओं ने अपनी भागीदारी करके लैंगिक असमानता को दूर कर दिखाया है। कल्पना चावला व सुनीता विलियम्स जैसी महिलाओं ने बच्चियों की महत्वकांक्षी सोच को तारों से परे दूर क्षितिज तक असीमित कर दिया है।

स्वर कोकिला लता व आशा भोंसले की मीठी तान सुनकर भारतीय ही नहीं सुदूर देशों में बसे विदेशी भी झूम उठते हैं। हेमा मालिनी, माधुरी दीक्षित, ऐश्वर्या जैसी सरीखी अभिनेत्रियों ने देश-विदेश के दर्शकों के दिलों पर राज करते हुए भारतीय सिनेमा को नई पहचान दी। प्रथम महिला आई.पी.एस किरण बेदी को भारत की सबसे बड़ी तिहाड जेल में उनके द्वारा किए गए उत्कृष्ट कार्य के लिए मैगसेसे पुरस्कार प्रदान किया गया।

आर्थिक स्तर पर महिलाओं ने स्वयं उद्यमी बनकर राष्ट्रीय विकास करते हुए अपनी जगतव्यापी पहचान बनाई है। एस बी आई की सीइओ अरुंधती भट्टाचार्य इसका जीता-जागता उदाहरण है।

हाल ही में देखा जाए तो रियो ओलंपिक में भारत की कटती नाक को साक्षी ने 58 किलोग्राम वर्ग में कुश्ती में कांस्य पदक जीतकर बचाया है। वहीं, पी.वी.सिंधु बैडमिंटन में रजत पदक जीतने वाली पहली महिला बन गई हैं। इससे पहले साइना नेहवाल ने कांस्य पदक जीता था।

भले ही दीपा करमाकर मेडल लाने में नाकामयाब रहीं, लेकिन उनके परिश्रम और कठोर अनुशासन ने हर भारतीय को प्रभावित किया है।

पूजा ठाकुर, पहली भारतीय महिला जिन्होंने गणतंत्र दिवस पर बराक ओबामा को ‘गार्ड ऑफ ऑनर’ की सलामी दी। महिलाएँ आज हर क्षेत्र में सर्वश्रेष्ठ प्रदर्शन कर रही हैं और भारत की कई बच्चियों को सशक्त रूप से लड़ने के लिए प्रेरित कर रही हैं।

कल की तुम कल्पना हो,
तुम्हीं हो कल की किरण बेदी,
आसमान को भी झुका सकती हो,
और बन सकती हो गगन भेदी।।

राष्ट्र के समग्र विकास एवं उसके निर्माण में महिलाओं का लेखा-जोखा व उनके योगदान का दायरा असीमित है। अब हम इस बात को नज़र अंदाज़ नहीं कर सकते हैं कि परिवार व समाज की सभ्यता, संस्कृति, मौलिक विकास का समस्त दायरा, महिलाओं के व्यक्तित्व, शिक्षा के विकास और उनके सम्मान में ही नीहित है। इसलिए हम सब का यह दायित्व बनता है कि हम सब महिलाओं के प्रति अपने दृष्टिकोण को बदलें चाहे वो मां के रूप में हो, पत्नि के रूप में हो, बहन के रूप में और चाहे वो पुत्री के रूप में हो, सबको सम्मान व अधिकार देकर घर, परिवार, समाज, देश का समुचित विकास निर्धारित करें।

BRCM EDUCATION SOCIETY

CONCERN FOR ENVIRONMENT THROUGH MISSION “SURYA PRAKASH”

BRCM Education Society (BRCMES), while providing leadership in education and social development is now endeavouring to sensitize its students, staff and related communities towards climate change & depletion of natural resources. As a conscious and responsible organization, BRCMES is enduringly committed towards protection, conservation & preservation of our environment. BRCMES is now emphasizing on all its institutional areas to become Green Campuses and venturing out to vehemently provide stewardship & training in adapting sustainable development.

BRCMES strives to incorporate green practices into its daily curriculum through internal and external efforts by specifically working in areas such as treating and reusing waste water, rain water harvesting, drip irrigation, recycling solid waste, composting, vermi culture, organic agriculture through use of dairy waste & cow dung & generation of biogas for multiple use and most importantly harnessing energy of Sun for water heating and producing captive electricity.

Sustainability is truly the need of the hour for entire universe. As one of the largest Educational, Sporting and Cultural Organization of South Haryana, we have over 5000 Students and Staff across multiple venues within our institutional premises, involving varying quantum of power consumption. To have a pollution free environment and to meet the scarcity of electricity BRCMES has taken the step forward and has installed Solar Power Plants of nearly 800 KW for meeting entire power requirement of all the institutions with the assistant and support of HAREDA and DHVVNL, Haryana which is first of its kind in State of Haryana.

These installations aim to reduce the BRCMES's indirect carbon dioxide emissions by more than approximately 1000 tons per year. One of the most unique features of these installations is the entire concept and design has been done under the Industry Institute Partnership Cell of BRCMCET, by collaborating with renowned principal Vendor, a Tier one PV Module manufacturer and EPC Contractor M/s Vikram Solar Pvt. Ltd., Kolkata. The multiple PV systems will generate over 120,000 units of electricity on a monthly basis and will also export excess power back to the State Electricity Grid as all these solar power plants will be connected under the Solar Net Metering policy of Haryana Government.

BRCMES also aims to spread awareness about job opportunities in Solar Power Generation industry through Skill India Mission under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) under National Skill Development Council (NSDC) at its newly set up BRCM Skill Development & Training Centre, Bahal.
