## *Chairman's Message*

### **Dear Readers / Well Wishers**

As the vibrant hues of spring unfold and the first quarter of 2025 draws to a close, I extend my warmest greetings and heartfelt wishes to all members of the BRCM family. It is with immense pride and joy that I connect with you through the XLVI edition of Samagra Shiksha cherished chronicle of our collective aspirations, achievements, and academic spirit.

Each passing season brings with it a renewed promise a chance to reaffirm our goals, celebrate our progress, and embrace the future with resilience and purpose. At the BRCM Group of Institutions, we continue to uphold our legacy of excellence, guided by the enduring ethos of Imagine–Invent–Inspire.

This philosophy not only fuels innovation and creativity but also anchors our unwavering commitment to shaping young minds into visionary leaders and responsible global citizens. Since our inception in 1987, we have grown from strength to strength, establishing ourselves as torchbearers of holistic education. Our academic institutions are not merely centers of learning they are vibrant spaces where intellect meets character, and curiosity leads to discovery. Through a harmonious blend of scholastic achievement, ethical grounding, and co-curricular engagement, we empower our students to evolve into confident and compassionate individuals ready to meet the challenges of an ever-evolving world.

The first quarter of 2025 has already witnessed a cascade of accomplishments, academic accolades, sporting triumphs, cultural endeavors, and meaningful community outreach. Each milestone reflects the dedication of our students, the tireless efforts of our faculty, and the steadfast support of our staff and parents. This edition of Samagra Shiksha is a tribute to their spirit and a celebration of the vibrant tapestry that defines our institution. Education, to us, is a sacred mission a beacon that lights the way to progress, harmony, and enlightenment.

As we journey through the months ahead, let us remain united in our vision and steadfast in our purpose. I urge every member of the BRCM fraternity to continue striving with excellence, embracing innovation, and nurturing the values that make us truly exceptional. To the Editorial Board, I extend my sincere gratitude for curating this inspiring edition, capturing the rhythm and richness of campus life with such finesse. As we move forward, may our hearts remain open to learning, our minds alight with curiosity, and our paths guided by wisdom. With best wishes for continued success and joy, God bless you all.

H. K. Chaudhary  
Chairman, BRCM Education Society, Bahal

## Celebration of Lohri and Makar Sankranti at Vidyagram Campus, Bahal on 13.01.2025

## 76<sup>th</sup> Republic Day Celebration at Vidyagram Campus, Bahal

# CELEBRATION OF HOLI AT BRCM

VIDYAGRAM CAMPUS  
ON 14.03.2025

**Visit of Mrs. Pratibha Agarwal along with her friends from Surat to various Institutions managed by BRCM-ES at Bahal from 07<sup>th</sup> & 09<sup>th</sup> March, 2025.**

## Visit of Shri. H. K. Chaudhary Ji, Chairman, BRCMES

Shri H. K. Chaudhary, Chairman, visited various Institutions managed by BRCMES from 30.03.2025 to 07.04.2025. During his visit, he inaugurated the BRCM Beauty Parlour Training Centre at Mamanda Complex and also paid tribute at his ancestral Mamanda Pitra Sthan. He also held a meeting with representatives from the Samta Foundation, Mumbai, Maharashtra to discuss how to enhance the CSR initiative/activities of the Trust as well as at the BRCM Skill Development Centre after proper survey of the villages around Bahal.

## COLLEGE OF ENGINEERING & TECHNOLOGY

### PRIDE MOMENTS

“Proud of you for staying committed to your dreams even when things got tough.” – Mel Robbins.

### RESEARCH ACTIVITIES

“No research without action, no action without research.”- Kurt Lewin.

#### PAPER PUBLISHED

- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled **“Social Media Fake News Detection using a Robust Machine Learning model and Data-Centric Approach”** published in Scopus Journal – African Journal of Biomedical Research with ISSN 1119-5096.
- Mr. Kuldeep Sharma and Mr. Ravinder Kumar, Assistant Professor in Electrical Engineering Department, presented a research paper entitled **“Integration of Solar Power and IOT Technology Smart Grid Light EV Charger Point”** in CSIR sponsored International Conference Innovation in Science, Humanities Management & Engineering 2025 organized by RPS CET Mahendergarh on 14<sup>th</sup>-15<sup>th</sup> February 2025.
- Dr. Vivek Kumar, Professor, Mr. Rajnish, Mr. Kuldeep Sharma and Mr. Ravinder Kumar, Assistant Professor in Electrical Engineering Department, presented a research paper entitled **“Optimum coupling of PV Panel to Load Using MMPT”** in CSIR sponsored International Conference Innovation in Science, Humanities Management & Engineering 2025 organized by RPS CET Mahendergarh on 14<sup>th</sup>-15<sup>th</sup> February 2025.
- Dr. Manisha Kumari, Assistant Professor (Physics), presented a research paper titled **“Synthesis and Characterization of Magnesium Ferrite Nano-particles”** in an International Conference on Greener Technologies in Mechanical Engineering (ICGTME-2025) organized by BITS, Pilani during 03<sup>th</sup>-04<sup>th</sup> February 2025.
- Dr. Jitendra Gaur, Associate Professor in Physics and HOD of Applied Sciences & Humanities, presented a research paper titled **“Estimation of Thermodynamical Parameters of La<sub>62</sub>Al<sub>14</sub>(Cu<sub>5/6</sub>Ag<sub>1/6</sub>)<sub>24</sub> Bulk Metallic Glass”** in an International Conference on Innovation in Science, Humanities, Management and Engineering (ICISHME-2025)

organized by RPS College of Engineering & Technology, Mahendergarh, on 14<sup>th</sup>-15<sup>th</sup> February 2025.

- Dr. Manisha Kumari, Assistant Professor in Physics, presented a research paper titled **“Synthesis and Characterization of Magnesium Ferrite Nano-particles by Chemical Co-Precipitation Method”** in an International Conference on Innovation in Science, Humanities, Management and Engineering (ICISHME-2025) organized by RPS College of Engineering & Technology, Mahendergarh, Haryana in association with CSIR-CEERI, Pilani, Rajasthan on 14<sup>th</sup> to 15<sup>th</sup> February, 2025.
- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, presented a research paper entitled **“Harnessing Ensemble AI algorithms for enhanced Fake News Detection on Social media”** in ICISHME-2025, International conference held on 14<sup>th</sup> & 15<sup>th</sup> February, 2025 at RPS College of Engg. & Tech., Mahendergarh.

### BOOK PUBLISHED

- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, published book entitled **“Machine Learning Algorithms for IoT Implementation Strategies & Case Studies”** with ISBN: 978-81-982697-4-4, Dept. of Research & Publications A2Z Edu Learning Hub.

### BOOK CHAPTER PUBLISHED

- Dr. Jitendra Gaur, Associate Professor in Physics and HOD of Applied Sciences & Humanities Department, published a book chapter titled **“Estimation of Thermodynamical Parameters for Cu<sub>47</sub>Ti<sub>34</sub>Zr<sub>11</sub>Ni<sub>8</sub> Bulk Metallic Glass”** in an International Book **“Current Research Progress in Physical Science”**, Vol. 8 with DOI: <https://doi.org/10.9734/bpi/crpps/v8/4483>.

### DESIGN PATENT

- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, has published a design patent titled **“Cognify: AI-powered Decision-Making Device”** in The Patent Office Journal No. 3/2025 under the Ministry of the Government of India.
- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, has published a design patent titled **“AI based wearable Health Monitoring Device”** in The Patent Office Journal No. 3/2025 under the Ministry of the Government of India.
- All staff members of Applied Sciences & Humanities, registered a UK design Patent titled **“Solar-Powered Water Purification Device”** with design number: 6430034 on 19.03.2025.
- Dr. Vivek Kumar, Professor in Electrical Engineering Department, registered a UK design Patent titled **“Solar-Powered Water Purification Device”** with design number: 6430034 on 19.03.2025.

## WORKSHOP / WEBINAR /STC/ EXPERT LECTURE ATTENDED

- Dr. Vivek Kumar, Professor in Electrical Engineering Department, attended a one week FDP on **“Recent Advancement in e -Mobility for Developing Power Utility”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 06.01.2025 to 11.01.2025.
- Mr. Rajnish, Assistant Professor in Electrical Engineering Department, attended a one week FDP on **“Recent Advancement in e -Mobility for Developing Power Utility”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 06.01.2025 to 11.01.2025.
- Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, attended a one week FDP on **“Recent Advancement in e -Mobility for Developing Power Utility”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 06.01.2025 to 11.01.2025.
- Dr. Vivek Kumar, Professor in Electrical Engineering Department, attended a one week FDP on **“Electric Vehicle & Charging Station Technology for Sustainable Development”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 13.01.2025 to 18.01.2025.
- Mr. Rajnish, Assistant Professor in Electrical Engineering Department, attended a one week FDP on **“Electric Vehicle & Charging Station Technology for Sustainable Development”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 13.01.2025 to 18.01.2025.
- Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, attended a one week FDP on **“Electric Vehicle & Charging Station Technology for Sustainable Development”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 13.01.2025 to 18.01.2025.
- Mr. Bhoop Singh, Assistant Professor in Electrical Engineering Department, attended a one week FDP on **“Electric Vehicle & Charging Station Technology for Sustainable Development”** organized by AICTE Training and Learning Academy at NIT Jamshedpur from 13.01.2025 to 18.01.2025.
- Mr. Amit Kumar, Assistant Professor in Mechanical Engineering Department, attend a Conference on National Education Policy, 2020 **“Rashtriya Shiksha Niti- Bhartiya shiksha , Sanskaar, Mulya Aur Aapke Sujhaav”** at Maharishi Dayanand University, Rohtak on 12.01.2025. The Conference was chaired by Prof. Tankeswar and Chief Guest was Mr. Manohar Lal Khattar - Cabinet Minister Republic of India.
- Mr. Ashwani Kumar, Assistant Professor in Civil Engineering Department, attended a Conference on National Education Policy, 2020 **“Rashtriya Shiksha Niti- Bhartiya Shiksha , Sanskaar, Mulya Aur Aapke Sujhaav”** at Maharishi Dayanand University, Rohtak on 12.01.2025. The Conference was chaired by Prof. Tankeswar and Chief Guest was Mr. Manohar Lal Khattar - Cabinet Minister Republic of India.
- Dr. Vivek Kumar, Professor in Electrical Engineering Department, attended a one-week FDP on **“Artificial Intelligence and Machine Learning”** organized by E & ICT Academy IIT Guwahati from 03.02.2025 to 08.02.2025.

- Dr. Dinesh Kumar, Professor in Computer Science & Engineering Department, attended a five days FDP on **“Data- Driven Insights: Hands-on with Natural Language Processing, Image Processing, Deep Learning and LLM”** organized by CS& AI at SR University, Warangal from 11.02.2025 to 15.02.2025.
- All Staff Members of BRCM CET attended one week Short-Term Training Program on **“Sustainable Development Goals-Interventions and Schemes of Govt. of India”** conducted by BRCM College of Engineering & Technology, Bahal from 17.02.2025 to 21.02.2025.
- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, attended one day Seminar on **“Applications on Gen AI”** organized by Indian Institute of Innovation and Science (IIISc) on 04.02.2025.
- Ms. Jyoti, Assistant Professor in Computer Science & Engineering Jamshedpur Department, attended a five days FDP on **“Data- Driven Insights: Hands-on with Natural Language Processing, Image Processing, Deep Learning and LLM”** organized by CS & AI at SR University, Warangal from 11.02.2025 to 15.02.2025.
- Ms. Neha, Assistant Professor in Computer Science & Engineering Department, attended a five days FDP on **“Data- Driven Insights: Hands-on with Natural Language Processing, Image Processing, Deep Learning and LLM”** organized by CS & AI at SR University, Warangal from 11.02.2025 to 15.02.2025.
- Mr. Surender Singh, Assistant Professor in Computer Science & Engineering Department, attended a five days FDP on **“Data-Driven Insights: Hands-on with Natural Language Processing, Image Processing, Deep Learning and LLM”** organized by CS & AI at SR University, Warangal from 11.02.2025 to 15.02.2025.
- Mr. Suresh Kumar and Mr. Navneet Bulla, Assistant Professor, Department of Mechanical Engineering, attended a ten days teachers training programme on **“NEP 2020 Orientation & Sensitization Programme”** under Malaviya Mission Teachers Training Programme (MM-TTP) of University Grants Commission (UGC) organized by Mahatma Hansraj Malaviya Mission Teacher Training Centre (MH-MMTTC), Hansraj College, University of from 18.01.2025 to 28.01.2025.
- Mr. Rakesh Kumar, Assistant Professor, Department of Civil Engineering, attended a Ten days teachers training programme on **“NEP 2020 Orientation & Sensitization Programme”** under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by Mahatma Hansraj Malaviya Mission Teacher Training Centre (MH-MMTTC), Hansraj College, University of Delhi from 18.01.2025 to 28.01.2025.
- Mr. Suresh Kumar and Mr. Ravinder Kumar, Assistant Professor, Department of Mechanical Engineering, attended in a Workshop on **“Greener Technologies and Sustainable Assessment”** at BITS Pilani, India on 02.02.2025.
- Mr. Rakesh Kumar and Mr. Ashwani Kumar, Assistant Professor, Department of Civil Engineering, attended a Workshop on **“Greener Technologies and Sustainable Assessment”** at BITS Pilani, Pilani Campus, RJ, India on 02.02.2025.
- Dr. Vivek Kumar, Professor in Electrical Engineering Department, attended a one week FDP on **“Industry 4.0 Control System for Robotic and Automation”** organized by

Department of ECE, Narula Institute of Technology, West Bengal from 24-03-2025 to 28-03-2025.

- Mr. Rajnish, Assistant Professor in Electrical Engineering Department, attended a one week FDP on “**Recent Trends and Innovation in Electrical Engineering**” organized by Department of Electrical Engineering, Anand International College of Engineering, Jaipur from 17-03-2025 to 21-03-2025.
- Mr. Suresh Kumar, Assistant Professor in Mechanical Engineering Department participated in the AICTE recognized Faculty Development Programme on Sustainable Development Goals-Interventions and Schemes of Govt. of India conducted by Electrical Engineering Department from 17.02.2025 to 21.02.2025 (One Week) at BRCM College of Engineering and Technology, Bahal, Bhiwani, Haryana organized by NTTTR Chandigarh.
- All Staff Members of BRCM CET attended one week AICTE Recognized Faculty Development Programme on “**Mentoring Skills for Effecting Curriculum Implementation**” conducted by Remote Centre BRCM College of Engineering & Technology, Bahal from 03.03.2025 to 07.03.2025 organized by NTTTR Chandigarh.
- Mr. Harish Chawla, Assistant Professor in Civil Engineering Department, participated in online National Webinar on “**Consumer Behavior and Psychological Factors Affecting Consumer Attention**” organized by Nucleus of Learning and Development on 20.03.2025.

#### WORKSHOP / EXPERT LECTURE ORGANIZED

- An online faculty development programme was organized by the Electrical Engineering Department of Remote Centre BRCM College of Engineering and Technology. Topic of STC is “**Sustainable Development Goals-Interventions and Schemes of Govt. of India**”, from 17.02.2025 to 21.02.2025. For this program Mr. Rajnish Mitter, Assistant Professor works as local coordinator and Mr. Ravinder Singh as a technical support person. Total number of twenty-six members register for this including teaching staff, technical staff and M. Tech students. It is a five days online programme which is very beneficial for staff as well students.
- The Electrical Engineering Department of BRCM College of Engineering and

Technology successfully organized an online Faculty Development Program (FDP) as a Remote Centre from 03.03.2025 to 07.03.2025. The Short-Term Course (STC) titled “**Mentoring Skills for Effective Curriculum Implementation**” was conducted by NITTTR Chandigarh. For this program, Mr. Rajnish, Assistant Professor, served as the Local Coordinator, while Mr. Ravinder Singh provided technical support. A total of 26 participants, including teaching staff, technical staff, and M.Tech students, registered for the FDP. The One week online program proved to be highly beneficial for both faculty and students, enhancing their mentoring skills and curriculum implementation strategies. All faculty members of the Electrical Engineering

Department actively participated in this enriching course.

- The Department of Electrical Engineering organized an expert session on **“Awakening to Climate Change: Knowledge, Action, and Solutions for Engineering Applications”** conducted by Dr. Dileep Kumar Gupta, a distinguished academician from IITRAM, Gujarat on 05.02.2025. The event commenced with a formal welcome of the guest speaker by Dr. Anuj Kumar Sharma, Principal, and Dr. Vivek Kumar, HOD, Electrical Engineering Department. Dr. Jitendra Gaur, HOD, Applied Science & Humanities Department, provided a brief introduction of the guest, highlighting his vast expertise and contributions in the field of climate change and sustainable engineering solutions. Dr. Dileep Kumar Gupta delivered an insightful lecture on climate change, its impact on engineering practices, and sustainable solutions for mitigating environmental challenges. He emphasized the role of engineers in developing eco-friendly technologies, renewable energy solutions, and sustainable industrial practices. The session also covered real-world applications and the importance of interdisciplinary research to combat climate change. The session was attended by the students and faculty members from various departments who actively engaged in discussions and sought expert guidance on various aspects of climate resilience and engineering innovations. The event concluded with a felicitation ceremony, where Dr. Anuj Kumar Sharma and Dr. Vivek Kumar presented a token of appreciation to Dr. Dileep Kumar Gupta for his valuable insights

and contributions. The session proved to be an enriching experience, equipping participants with a deeper understanding of climate challenges and the role of engineering in building a sustainable future.

### TRAINING & PLACEMENT ACTIVITIES

- **Company Outreach:** Over 200 companies were invited for campus placement opportunities, expanding our network and opening new career avenues for students.
- **TPO-Students Interaction:** The Training & Placement Officer (TPO) conducted a session with B.Tech CSE, EE, and Mechanical Engineering 2025 batch students. The discussion focused on upcoming activities, placement events, and strategies for better placement preparation. Students were introduced to various online platforms for upskilling and interview preparation.

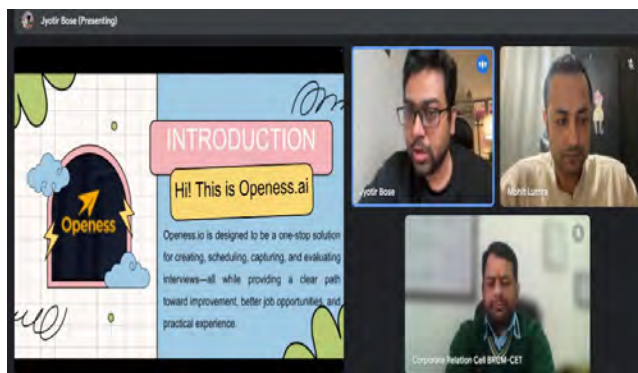

- **Campus Placement Drive :** Organized a successful campus placement drive for B.Tech Electrical Engineering students along with ASTI Electronics Pvt. Ltd. Six students for the final interview.

- **Alumni Interaction:** On 24<sup>th</sup> January 2025, an engaging alumni interaction was organized featuring Shruti Pritam and Shristi Jain, 2021 B.Tech CSE graduates. They shared their professional journey, career insights and tips for current students.

- **Interaction with Alumni:** Engaged in a productive discussion with Mr. Mohit (B.Tech ECE, Batch of 2010) regarding an AI-based platform to assist students in preparing for interviews and further studies.

### Placement & Internship Opportunities Shared

- **Sobha Limited:** Opportunity shared for B.Tech/M.Tech Civil Engineering students.
- **Agnirva Space (ISRO Registered Space Tutor):** Internship opportunity circulated among students.
- **VOLVO :** Shared job opportunities for B.Com and BBA students of GDC Memorial College.
- **Sachtech Solutions Pvt. Ltd., Mohali :** Invited nominations from B.Tech CSE students.

### Collaboration with Takshila VLSI Institute

- We are in the advanced stages of finalizing a Memorandum of Understanding (MoU) with **Takshila VLSI Institute**.
- **Objective:** To provide a structured training and internship platform for students, focusing on upskilling in the field of VLSI (Very-Large-Scale Integration) technology.
- **Anticipated Impact:** This collaboration will enable students to gain industry-relevant skills, enhancing their employability in semiconductor and related sectors.

## Campus Placement Drive

- **Lumax Ancillary Limited (29.01.2025):** Out of 7 shortlisted students, only one appeared for the interview but was not selected.
- **75WAY Technologies Pvt. Ltd.:** Received 19 nominations from B.Tech (CSE) students. Three were shortlisted. Hritik Pandey grabbed final selection.
- **Sach Tech Solutions Pvt. Ltd. (17.02.2025) :** Conducted a campus placement drive where 15 students were shortlisted and 3 students—Ankit, Avinash, and Parhlad from B.Tech CSE secured final selection.

## Industrial Visit

- **Industrial Visit :** A visit for all the 2<sup>nd</sup> & 3<sup>rd</sup> year students of B.Tech. students was organized by the Department of Computer Science to the International Engineering & Technology Fair organized at the Pragati Maidan, New Delhi on 21<sup>st</sup> February 2025 (Friday).
- **About the International Engineering & Technology Fair :** 26<sup>th</sup> International Engineering & Technology Fair was organized by the Confederation of Indian Industry (CII) at the Pragati Maidan, New Delhi. CII is a non-government, not-for-profit, industry-led and industry-managed organization, with over 9000 members from 294 countries. During the 26<sup>th</sup> IETF, over 100 well established as well as Start Ups from 45 countries participated. Thus, it was a global platform for all the participating industries.

- An industrial Visit was taken place to Bhakra Nangal Dam and Ganguwal Power House on 28.02.2025 to 02.03.2025 by students of Electrical Engineering with practical exposure to hydroelectric power generation and dam management. A team of 20 students from 2<sup>nd</sup>, 3<sup>rd</sup> and final year of B.Tech Electrical Engineering along with faculty Mr. Kuldeep Sharma, Mr. Ashwani and Mr. Rakesh visited the Bhakra Nangal Dam. The journey started on the evening of 28.02.2025, with the first stop at Anand Sahib Gurudwara. On 01.03.2025 at 9:00 AM, the team reported at Ganguwal Power House, where plant officials provided a detailed explanation of power generation and dam operations. Students had the opportunity to interact with Engineers and had insights into hydroelectric power management, turbine operations, and transmission systems. A group photo was taken with the powerhouse officials as a token of gratitude.

## Recreational & Learning Experiences

- After the power plant visit the students explored Sukhna Lake in Chandigarh where they enjoyed the rainy weather and also visited Elante Mall, Chandigarh to learn about management and operation.

### Key Takeaways

- Gained practical exposure to hydroelectric power generation.
- Understood the technical aspects of turbine operations, power transmission, and dam functionality.
- Experienced team bonding and industrial visit etiquette.
- Had an enriching and memorable learning experience.

The visit provided a perfect blend of technical learning and cultural exposure, making it a valuable experience for all students. The hospitality and guidance provided by the power plant officials were truly appreciated and the students expressed their gratitude for the opportunity. The Department of Electrical Engineering looks forward to organize such more industrial visits to enhance students' knowledge and industry readiness.

## OTHER ACTIVITIES

- NCC Training Program was conducted by Sh. Janardhan Ji of 11 HAR BN NCC, Bhiwani along with Dr. Jitendra Gaur, ANO and HOD Applied Science & Humanities Department from 20.01.2025 to 29.01.2025. The cadets learnt about drill, weapon, map reading, compass, etc. during the program.

- NCC Exam: 6 SW Cadets and 16 SD Cadets of NCC participated in practical and theory exams of B Certificate held from 01.02.2025 to 02.02.2025. The cadets were accompanied to Bhiwani by Dr. Jitendra Gaur, ANO of NCC Unit of BRCMCET.

- On 21<sup>st</sup> Feb, 2025 NSS unit of BRCM College of Engineering and Technology, Behal organized a **“BLOOD DONATION CAMP”** in collaboration with Freedom Blood Bank, Bhiwani. The function started around 10 o'clock in the morning. Function was inaugurated by Mahant of ALAKH AASHRAM Behal Shri Vikas Giri Maharaj and chaired by Dr. S. K. Sinha, Director of BRCM Education Society, Bahal. Principal of BRCM CET Dr. Anuj Kumar Sharma, Principal law College Dr. Sunil Sukla and School Principal Rajesh Jhaharia with Vice-Principal Mrs. Sarswati Dikshit, Dr. D.P. Boora and Shishukunj Principal Mr. Sandeep Tandan are among distinguished guest. Organizing committee members NSS Officer Mr. Rajnish Mitter, Registrar Mr. Pawan Panghal with all Heads of Department and staff members are also present. Staff members and institute students donated blood in this camp. Total sixty blood units collected in this camp. Fruits and juice for blood donors were arranged by management.

- NSS unit of BRCM CET, Bahal organized an Indian constitution day@75 on 25.01.2025. As we know that 25<sup>th</sup> January is National Voter Day. Dr. S.K. Sinha Director, BRCMES, Dr. Anuj Kumar Sharma Principal, BRCM CET and NSS volunteers with college staff took oath by preamble reading. After this a debate competition was organized on topic **“In the opinion of the House, the Indian Constitution has shaped and facilitated Indian's Progress Journey”**.

- On 5.03.2025 NSS unit of BRCM College of Engineering and Technology, Behal organized a **“Quiz Competition”** on Indian Constitution. The Event started around 2 o'clock in the afternoon. Students from different departments and NSS volunteers participated in this event. Near about sixty participants were present for Quiz Competition and the result was announced on the spot. Mr. Sachin from Electrical Engineering got 01<sup>st</sup> position and Mr. Luv Raj and Mr. Bhartender Gaur got 2<sup>nd</sup> and 3<sup>rd</sup> position in this quiz.

- Mr. Navneet Bulla, Assistant Professor in Mechanical Engineering Department, showcased his academic and professional expertise by participating in the Viksit Bharat Essay Writing Competition and Young Leaders Dialogue 2025, organized at Kurukshetra University, Kurukshetra, on 24.12.2024. He presented a compelling essay and an insightful presentation on the topic **“Making India the Global Manufacturing Powerhouse.”** His participation in this prestigious national-level event reflects his commitment to contribute to discussions on India's growth as a global leader in manufacturing and innovation.
- Mr. Rakesh, Assistant Professor in Civil Engineering Department, showcased his academic and professional expertise by participating in the Viksit Bharat Essay Writing Competition and Young Leaders Dialogue 2025, organized at Kurukshetra University, Kurukshetra, on 24.12.2024. He presented a compelling essay and an insightful presentation on the topic **“Making India the Global Manufacturing Powerhouse.”** His participation in this prestigious national-level event reflects his dedication to contributing to discussions on India's emergence as a global leader in manufacturing and innovation.
- Staff Club of BRCM CET under the supervision of Dr. Jitendra Gaur, President, staff club organized Holi Milan Samaroh on 12.03.2025 in which all staff members participated in fun activities like Tambola and fun games.
- Mr. Amit Kumar, Assistant Professor in Mechanical Engineering Department awarded an Appreciation Certificate for participating in the National Financial Literacy Quiz 2025 organized by National Institute of Securities Market with collaboration of SEBI.
- BRCM Club of Nobels (BCON) under the supervision of Dr. Jitendra Gaur, Associate Professor in Physics and with the support of Sh. Vinod Jakhar, Instructor, in collaboration of staff club of BRCM CET organized a Badminton Doubles' Tournament for HEI students, School students and staff members. Team of Siddhartha and Reham won the 1<sup>st</sup> prize while team of Reyan and Md. Asif Humaid won 2<sup>nd</sup> prize in senior's category. In junior's category, team of Yash and Krishan defeated team of Ashwani Yadav and Piyush. In staff category, team of Dr. Jitendra Gaur and Dr. Vivek Kumar lifted the winners' trophy while team of Anshu Sharma and Dharmbir grabs runner-up trophy.

## MEMORIAL COLLEGE

### Research Activity

#### Research Paper Published

- Dr. Sanjay, Associate Professor of Physics, has successfully published his research paper titled **“The Role of  $\text{Fe}_2\text{O}_3$  and  $\text{MoO}_3$  Content on FTIR Study of Lead Borate Glasses”** in the esteemed American Institute of Physics (AIP) Conference Proceedings (ISSN: 0094-243X, Impact Factor: 0.189), New York, USA. The paper, which was initially presented at the 67<sup>th</sup> DAE Solid State Physics Symposium (SSPS) 2023 held at GITAM, Visakhapatnam, India, from December 20–24, 2023, was officially published on 28.01.2025. The journal is indexed in Scopus (Elsevier), Web of Science, and Inspec, further highlighting the significance and scholarly impact of Dr. Sanjay's research.
- Dr. Suman, Assistant Professor of Chemistry, has published a research paper titled **“The Role of  $\text{Fe}_2\text{O}_3$  and  $\text{MoO}_3$  Content on FTIR Study of Lead Borate Glasses”** in the prestigious American Institute of Physics (AIP) Conference Proceedings (ISSN: 0094-243X, Impact Factor: 0.189), New York, USA. The journal is indexed in Scopus (Elsevier), Web of Science, Inspec, and other renowned databases, highlighting the significance of the research in the field of material science.
- Dr. Mukesh Kumari, Assistant Professor of History, published a research paper titled **“भारतीय राष्ट्रीय आंदोलन तथा प्रतिबंधित पंजाबी साहित्य”** in the October-December, 2024 issue of Sodh Shree International Referred Journal.
- Dr. Ashok Kumar, Assistant Professor of History, published a research paper titled **‘ब्रिटिश कालीन दीवानी न्याय प्रशासन में लार्ड विलियम बेंटिक का योगदान’** in the January-March 2025 issue of Chintan International Referred Journal.
- Dr. Kousik Das Malakar, Assistant Professor of Geography, published a research paper titled **'Girl Child, Not Bride: An Investigation of the Hili-Balurghat Borderland in the Context of West Bengal Government's 'Kanyashree' and 'Rupashree' Schemes'** in Advances in Geographical and Environmental Sciences, Springer Nature, Singapore, 4, 36–48. ISBN: 978-981-96-0380-0. Series E-ISSN: 2198-3550.
- Dr. Kousik Das Malakar, Assistant Professor of Geography, published a research paper titled **'Resilience Livelihood for Sustainable Economic Development: A Study of Jangal Mahal, West Bengal, India'** in Advances in Geographical and Environmental Sciences, Springer Nature, Singapore, 18, 237–254. ISBN: 978-981-96-0380-0. Series E-ISSN: 2198-3550

## Paper Presented

- Mr. Man Singh, Assistant Professor of Economics, presented a research paper entitled "Education and Economic Development" in two days International conference on multidisciplinary research in Language, Innovation, Culture and Education organized by Oxford International college, Parawa Chitalwana, Santhore, Rajasthan, India & Social Science & Management Welfare Association.
- Mr. Himanshu Grover, Assistant Professor of Geography, presented a research paper on 'Assessing Groundwater Suitability in Western Haryana Using the Groundwater Quality Index' in the National Conference on the "Role of biotechnology in Agriculture, Chemical, Physical and Environmental Sciences for Sustainable Development" organized by Pulkit College for Higher Education, Rajasthan on 06-07 February 2025.
- Mr. Himanshu Grover, Assistant Professor of Geography, presented a research paper on 'Groundwater Resources in Western Haryana: Availability, Utilization and Challenges' in One Day International Conference on "Innovative Strategies for Sustainable Resource Management: Preserving Environmental Quality and Utilizing Agriculture Residue (ISSRM-2025)" held on 22.03.2025 organized by Department of Sciences, Hindu College, Amritsar (Punjab).
- Ms. Priyanka Rani, Assistant Professor of Geography, presented a research paper on 'Climate change , Air Pollution and Public Health in India' in One Day

International Conference on "Innovative Strategies for Sustainable Resource Management: Preserving Environmental Quality and Utilizing Agriculture Residue (ISSRM-2025)" held on 22.03.2025 organized by Department of Sciences, Hindu College, Amritsar (Punjab).

- Ms. Priyanka Rani, Assistant Professor of Geography, presented a research paper on the topic of 'Biodiversity Conservation' in a National Conference on Resources, Technology and Climate Change: A Geo-Sustainable Vision for Vikashat Bharat@2047, organized by the Department of Geography, Guru Jambheshwar University, Hisar on 18th March 2025.
- Mr. Sachin , Assistant Professor of Geography, presented a research paper on the topic of 'Global Population Dynamics and the Increasing Vulnerability of Natural Resources' at a National Conference on Resources, Technology and Climate Change: A Geo-Sustainable Vision for Vikashat Bharat@2047, organized by the Department of Geography, Guru Jambheshwar University, Hisar on 18th March 2025.

## Workshop/FDP/ webinar/ Conference/ Seminar Attended

- Dr. Sanjay, Associate Professor and Head, Department of Physics, actively participated in the Pre-Conference Workshop on "Greener Technologies and Sustainable Assessment," organized by the Department of Mechanical Engineering, Birla Institute of Technology and Science (BITS), Pilani, on February 2, 2025. His participation reflects a commitment to advancing sustainable practices and

interdisciplinary research in science and technology.

- Dr. Sanjay, Associate Professor and Head, Department of Physics, participated in the International Workshop on **"Learning Science with Fun: A Way Forward towards Experiential Learning"** (LSFEL)-2025, organized by the Department of Physics, CBLU, Bhiwani, on February 3-4, 2025. His involvement in this workshop underscores his dedication to innovative and interactive approaches in science education.
- Dr. Poonam Kumari, Assistant Professor of Botany, has successfully completed 19<sup>th</sup> **'NEP 2020 Orientation and Sensitization Programme'** which is organized by MMTTC, Central University of Haryana, Mahendergarh from February 03<sup>th</sup> to 12<sup>th</sup> February, 2025.
- Dr. Sukhender, Assistant Professor of Physics, has successfully completed 19<sup>th</sup> **'NEP 2020 Orientation and Sensitization Programme'** which is organized by MMTTC, Central University of Haryana, Mahendergarh from February 03 to 12 February, 2025.
- Dr. Anita, Assistant Professor of Chemistry, has successfully completed the Online Short Term Course on Environmental and Sustainability Science which is organized by MMTTC, Tejpur University in collaboration with Dept. of Environmental Science, Tejpur University from 23.01.2025 to 29.01.2025.
- Mr. Himanshu Grover, Assistant Professor and Head of the Geography Department, participated in National Intellectual Property Awareness Mission organized by Intellectual Property Office, India on 06.02.2025.
- Mr. Ravi Parmar, Assistant Professor of Commerce participated in one-day workshop on **"Swayam MOOCS: Awareness and Implementation"** organized by Chaudhary Bansi Lal University, Bhiwani on 11.02.2025.
- Dr. Ashok Kumar, Assistant Professor of History, participated in the **'Online Refresher Course in History on Emerging Trends in Historical Studies'** organized by the Malaviya Mission Teacher Training Programme of Ishwar Saran P.G. College, Paryagraj from 23.01.2025 to 12.02.2025.
- Dr. Mukesh Kumari, Assistant Professor of History, participated in the **'Online Refresher Course in History on Emerging Trends in Historical Studies'** organized by the Malaviya Mission Teacher Training Programme of Ishwar Saran P.G. College, Paryagraj from 23.01.2025 to 12.02.2025.
- Dr. Punita, Assistant Professor of English, participated in a UGC Sponsored online Short Term Course on **'Multilingualism and Translation'** organized by the Malaviya Mission Teacher Training Centre of Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur from 04.03.2025 to 10.03.2025.

### Research Membership Attained

- Dr. Sanjay, Associate Professor of Physics, got a life membership of the Indian Society of Analytical Scientists (ISAS) in January 2025, which was established in 1983 at Bhabha Atomic Research Centre (BARC), Mumbai, with the aim of dissemination of scientific information in the field of Analytical Sciences.

## Extension Lecture Delivered

- Dr. Ashok, Assistant Professor, delivered an insightful extension lecture on Women Empowerment at Government Women College, Tosham. His lecture emphasized the significance of education, financial independence, and equal opportunities in fostering women's empowerment. He also discussed various government initiatives, social challenges, and the role of youth in promoting gender equality. The session was highly engaging, inspiring students to actively contribute towards a more inclusive and equitable society.

## Students Research Activity

- Kaushalya and Anuja, M.Sc Geography students of the College presented a research paper in a National Conference on Resources, Technology and Climate Change: A Geo-Sustainable Vision for Vikashat Bharat@2047, organized by the Department of Geography, Guru Jambheshwar University, Hisar on 18<sup>th</sup> March 2025.

## Achievements

### Dr. Kousik Das Malakar Achieves Prestigious Academic Milestones

- Dr. Kousik Das Malakar was conferred the degree of Doctor of Philosophy (Ph.D.) by the Central University of Haryana, Mahendergarh, India, on 25<sup>th</sup> March 2024.
- In addition to this remarkable academic achievement, Dr. Malakar's contracted book (monograph), titled Geospatial Technologies in Coastal Ecologies Monitoring and Management (ISBN: 978-3-031-92016-5), has been accepted and launched for publication by the esteemed international publisher Springer Nature, Switzerland.
- Further cementing his contribution to scholarly research, Dr. Malakar has also

signed contract agreements for two new book projects as the lead collaborator. These forthcoming works are in association with Emerald Publishing, United Kingdom, and Palgrave Macmillan (Springer Nature, Switzerland).

- These accomplishments highlight Dr. Malakar's continued dedication to interdisciplinary research and international academic collaboration.

## University Gold Medalists

- The college takes immense pride in announcing that two of its students have been awarded Gold Medals by the Chaudhary Bansi Lal University for their outstanding academic achievements in the 2021-2023 Session. Rekha, a student of M.A. History, and Sunil, a student of M.Sc. Chemistry, have brought laurels to the institution by securing the top positions in their respective disciplines.
- Their dedication, perseverance, and academic excellence serve as an inspiration to their peers. The college congratulates them on this remarkable achievement and wishes them great success in their future endeavors.
- It is a matter of great pride that more than 20 students from the M.Sc. Physics 02<sup>nd</sup> and 04<sup>th</sup> semesters actively participated in the International Workshop on "**Learning Science with Fun: A Way Forward Towards Experiential Learning (LSFEL)-2025.**" The workshop was organized by the Department of Physics, CBLU, Bhiwani, on February 3-4, 2025. This participation reflects the students' enthusiasm for experiential learning and their dedication to expanding their scientific knowledge.
- It is a matter of great pride that Ms. Reeta Bharti and Ms. Poonam, students of M.Sc. Physics (04<sup>th</sup> Semester), actively participated in the State-Level Interdisciplinary Science PowerPoint Symposium organized by the Department

of Mathematics, Banwari Lal Jindal Suiwala (BLJS) College, Tosham (Bhiwani), on February 28, 2025. Their participation reflects their dedication to academic excellence and interdisciplinary learning.

- It is a matter of great pride that Ms. Neha Chopra, a student of B.Sc. Non-Medical (6th Semester), successfully qualified for the District-Level Science Essay Writing Competition and went on to participate in the State-Level Science Essay Writing Competition for college students (2024-25). The prestigious event was organized by Dyal Singh College, Karnal, on February 28, 2025. Her achievement reflects her academic excellence and passion for scientific discourse.

## Sports Activities

### Medal in All India Inter-University Karate Championship

From 14<sup>th</sup> to 21<sup>st</sup> January, 2025, Maharshi Dayanand University (MDU), Rohtak, hosted the prestigious All India **Inter-University Karate Championship**. This grand sporting event witnessed the participation of talented athletes from various universities across the country, each competing with remarkable skill and determination. Amidst this highly competitive atmosphere, Anjali, a first-year BPES student, made an outstanding mark by securing a bronze medal in her respective category.

### Annual Athletics Meet-2025

The second Annual Athletic Meet was organized at the college, where students from higher education institutions run by the BRCM Education Committee BRCM Engineering College, BRCM Law College, and GDC Memorial College participated with great enthusiasm. The event aimed to provide a platform for sports talents and promote the spirit of healthy competition.

The athletic meet was successfully coordinated by Sports In-charge Sandeep Lakhlan and Assistant Professor Madan Mohan Yadav with remarkable efficiency. A total of 19 competitions were held, featuring enthusiastic participation from 150 athletes as well as teaching and non-teaching staff. Events included the 100m, 200m, and 400m races, shot put, relay race, and tug of war.

In the 100m race (boys), Ravi Kumar secured first place, followed by Ashish in second place. In the 100m race (girls), Pinky claimed first place, with Sehna finishing second. The 200m race (boys) saw Ankush taking first place and Pravesh securing second. In the 1500m race (boys), Rakesh and Yogesh jointly held first place, while Ashish finished second and Apoorv secured third place. The outstanding performers were awarded medals and certificates to encourage their sporting spirit.

The championship trophy was claimed by the team from GDC Memorial College, while BRCM Law College secured the runner-up position. In the individual category, Pinky from the College was recognized as the best performer of the event.

## Camps/ Induction Program/ Expert Sessions Organized/Attended

### Organization of Induction Program by IGNOU Study Centre

An induction program was organized at IGNOU Study Centre-1079 on 19.01.2025, to introduce new students to the university's education system, curriculum, and facilities. The event was attended by IGNOU Coordinator Mr. Ravi Parmar, Co-Coordinator Dr. Ashok, college faculty and staff. The principal, Dr. S.K. Sinha, welcomed the students and assured them of continuous support from the study center. Students had the opportunity to ask questions and share concerns, which were addressed by university officials and faculty members. The coordinator, Mr. Ravi Parmar, emphasized that the meeting aimed to help students integrate into the university system and work toward their academic goals. The event concluded with the participation of several faculty members and administrative staff.

## Participation in Week-long NSS Camp Organized by CBLU

The Youth Welfare Cell of Chaudhary Bansi Lal University, Bhiwani, organized an annual week-long National Service Scheme (NSS) camp at Government College, Madhi Haria, Charkhi Dadri. The camp commenced on 20.01.2025, and concluded on 26.01.2025. Eight volunteers from the college's NSS unit participated in this week-long camp. NSS Program Officer Dr. Ashok Kumar stated that students from various classes of the college actively took part in this camp with great enthusiasm. The camp, organized by the university's NSS unit, aimed to instill a sense of social service and community responsibility among students. Students Deepika, Bhateri, Nisha, Sonu, Munish, Amardeep, Nitin, and Atul actively participated in the camp, winning prizes in various competitions like 1<sup>st</sup> Prize in Singing Competition, 2<sup>nd</sup> prize in Dance Competition and 2<sup>nd</sup> Prize in Group Discussion.

## Organization of Six-Day Surya Namaskara Campaign

National Service Scheme (NSS) unit and the Department of Physical Education, successfully conducted a six-day Surya Namaskara campaign from 22<sup>nd</sup> to 27<sup>th</sup> January 2025, at the Indoor Sports Hall, Vidyagram Campus. During the campaign, a special event was held on 23.02.2023 to commemorate the birth anniversary of Netaji Subhas Chandra Bose, and another special program was organized on 26.01.2025 to celebrate Republic Day. The event was directed by Chief Patron Dr. S.K. Sinha, with Dr. Ashok Kumar, NSS Program Officer, and Mr. Madan Mohan Yadav, Head of the Department of Physical Education, serving as coordinators. Throughout the six-day program, Yoga Teacher Shri Dharmendra Shastri guided all participants through the systematic practice of Surya Namaskar exercises.

## One-Day Disaster Management and First Aid Camp

A one-day basic first aid and disaster management training camp was successfully organized at the college, under the auspices of the Indian Red Cross Society and St. John Ambulance Institute on 04.02.2025. The event was conducted under the joint initiative of the Youth Red Cross Unit and the NSS Unit of the college. The program was presided over by Dr. S.K. Sinha, Director of BRCM Educational Institutions and Principal of GDC College. The keynote speaker for the event was Mr. Sanjay Kamra, Nodal Officer of Bhiwani Red Cross Society. The event was coordinated by Dr. Ashok Kumar, Program Officer of NSS and Red Cross Unit, along with the participation of volunteers, students, and faculty members of the college.

## Seven-Day NSS Camp Organized in Patwan Village

A seven-day National Service Scheme (NSS) camp, organized by the NSS unit of the college, was held from 11.02.2025 to 17.02.2025 at Patwan village. The camp was inaugurated by Dr. S.K. Sinha, the Chief Guest of the event. As per the guidelines of the National Service Scheme, the camp featured various activities conducted by students and volunteers, including cleanliness drives, tree plantation, community service, awareness campaigns, sports, and cultural programs.

## Expert Session on Financial Literacy

GDC Memorial College, in collaboration with the Training & Placement Department of BRCM Group of Institutions, successfully organized an expert session on financial literacy. The session was conducted by seasoned banker and financial education expert, Ramphal Poonia. He provided in-depth insights into stock markets, mutual funds, insurance, fixed deposits, and other investment options, guiding students on making informed financial decisions.

## Blood Donation Camp Organized

The NSS units of the college along with BRCM College of Engineering & Technology and BRCM Law College under the BRCM Education Society, Bahal, organized a **Blood Donation Camp**. The event was inaugurated by Mahant Vikas Giri Ji from Alakh Ashram, Behal, while Dr. S.K. Sinha, Director of BRCM Education Society, presided over the program. Former Sarpanch of Bahal, Pandit Ravi Mahamiya, graced the occasion as the Chief Guest. A total of 60 units of blood were donated during the camp, with enthusiastic participation from students, faculty members, and staff. Blood donors were honored with badges and certificates of appreciation by the esteemed guests.

## Other Activities

### History Students' Visit to a State-Level Historical Exhibition

The postgraduate students of History Dept. visited a two-day historical exhibition organized by the "History Cell" of Haryana Sahitya and Sanskriti Academy, Kurukshetra, on 22<sup>nd</sup>-23<sup>rd</sup> January, 2025. This exhibition was hosted by the Department of History at Banwari Lal Jindal Suiwala College, Tosham (Bhiwani). Under the leadership of Dr. Ashok Kumar, Head of the History Department, and Assistant Professor Dr. Mukesh Kumari, the students explored various aspects of Haryana's history through this state-level exhibition. INSTITUTIONS MANAGED BY **BRCMES**

## BRCM SKILL DEVELOPMENT TRAINING CENTRE

### New Projects Proposal Submitted to NABARD

- Data Entry Operator.
- Assistant Beauty Therapist.
- Refrigeration and Air Conditioning.
- Graphics Designer.
- Sewing Machine Operator - knits.

### Computer Batch

Computerized accounting is the use of software to manage a business's financial transactions and records. It automates tasks like invoicing, payroll, and bookkeeping.

#### Benefits

- **Speeds up processes:** Computerized accounting is faster than manual accounting, which involves using pen and paper.
- **Reduces errors:** Computerized accounting reduces the chances of errors.
- **Improves decision making:** Computerized accounting provides real-time data that helps businesses make informed decisions.
- **Saves time:** Computerized accounting saves time by automating tasks.
- **Improves data security:** Computerized accounting systems often include data protection features and regular backups.
- **Types of accounting software** Billing and invoicing systems, Commercial accounting software, Enterprise accounting software, Custom accounting software, and Cloud accounting software.

### Aroha Foundation made women aware on International Women's Day

Aarohi Foundation organized a financial literacy camp in Bahal block last Saturday on the occasion of International Women's Day. The camp aimed to raise awareness among women about digital frauds and government schemes like Pradhan Mantri Suraksha Bima Yojana and Pradhan Mantri Jeevan Jyoti Bima Yojana. AFC Pinky Loharu stressed the importance of savings and banking, while AFC Deepak Kumar Siwani cautioned against social media frauds. FC Kuldeep (CFL Bahal) advised not to share OTPs and shared insights on savings schemes. Fund Program Manager Deepika (HSRML) encouraged women to connect with banks and benefit from available schemes. Participants pledged to stay alert and spread awareness. Attendees included Rajneesh Bamel (RCT), Amit (BRCM), Deepika (HSRML), Saroj, Rohit, and many local women.

#### Women were made aware about their rights and processing and value addition of coarse grains

An awareness seminar was organized on the occasion of International Women's Day at BRCM Bahal on Saturday by the PNB Rural Self-Employment Training Institute (RSETI), Paluwas. The event aimed to educate women about their rights, interests, and the importance of self-reliance in today's society. During the seminar, special emphasis was placed on spreading awareness among women regarding their rights, education, employment, and health. Women were encouraged to take active steps towards shaping a better and more empowered future for themselves. One of the highlights of the seminar was a session on coarse grain processing and value addition, where the nutritional importance of coarse grains (millets) was explained. Participants were urged to include these grains in their daily diet for better health and nutrition. RSETI Director Manjeet Mahran and Sh. Amit Jangra, Manager, BRCM SDTC, jointly addressed the gathering.

They emphasized that the core purpose of celebrating International Women's Day is to promote gender equality and to empower women by making them aware of their rights and opportunities in all spheres of life. They stressed the significance of women's access to education, employment, and healthcare as critical factors in building a stronger and more equitable society. On this occasion, Rajneesh Bambal highlighted the various vocational courses offered by PNB RSETI, which are focused on making young men and women self-reliant through skill development and entrepreneurship. He noted that women empowerment is directly linked to the empowerment of the nation, and that the path to national progress begins with empowering women at the grassroots level. The seminar concluded with a collective call to action: to support and encourage women in becoming confident, independent, and active contributors to society. The event saw enthusiastic participation from women attendees and left a strong message on the importance of gender equality and economic independence.

जिसे अबतक  
ना समझे  
वो कहानी हूँ में,  
मुझे बर्बाद  
मत करों पानी  
हूँ में.
