A TRIBUTE TO

Architect of Indian Constitution

Dr. B.R. Ambedkar

Dr. **Bhimrao Ramji Ambedkar** was born on 14 April 1891 in a 'Dalit' family, popularly known as Baba Saheb. He was an Indian jurist, economist, politician and social reformer who inspired the Dalit Buddhist Movement and campaigned against social discrimination against Untouchables (Dalits). Dr. Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, and gained a reputation as a scholar for his research in law, economics and political science. After India's independence on 15 August 1947, the new Congress-led government invited Dr. Ambedkar to serve as the nation's first Law Minister and on 29 August, he was appointed as Chairman of the Constitution Drafting Committee to write India's new Constitution.

Indian Constitution drafted by Dr. Ambedkar is described as 'first and foremost a social document' which was presented before the nation in 1948 which structured the legal system of Independent India. It is considered as longest written Constitution of any sovereign country in the world, containing 448 articles in 26 parts, 12 schedules and 104 amendments. In October 1948, Dr. Ambedkar submitted the Hindu Code Bill to the Constituent Assembly in an attempt to codify the Hindu Law. The Constitution was adopted on 26 November 1949 by the Constituent Assembly and came into effect on 26th January 1950. He was Independent India's first law minister, the principal architect of the Constitution of India and a founding father of the Republic of India.

Dr. B R Ambedkar initiatives have influenced various spheres of life and transformed the way India today looks at socio-economic policies, education and affirmative action through socio-economic and legal incentives. He left this world on 6th December 1956 after prolonged illness at his home in Delhi. He was posthumously conferred with India's highest civilian award "**Bharat Ratna**" in the year 1990.

‘Cultivation of mind should be the ultimate aim of human existence.’

Ballaram Hanumandas Charitable Trust

Ballaram Hanumandas Charitable Trust, Kolkata (BHCT), founded in the year 1977, headed by Shri Hari Krishna Chaudhary has been set up with an objective of transforming the much deprived rural area surrounding the Chaudhary Family's ancestral village Bahal (District Bhiwani) in Haryana, 30 Km north of Piani (Rajasthan).

As responsible citizens, the founders of BHCT firmly believed that providing quality education will result in overall growth of this remote region. A small but visionary effort has now turned this village into an 'Oasis of Learning' spread over 100 acres on three different Campuses. To achieve its objectives, BHCT heralded its educational initiatives through **BRCM Education Society** which celebrated its 30 years in 2017. The society established **BRCM Public School, Gyankunj**, a Co-Ed day School in 1987 and subsequently, BRCM Public School, Vidyagram in 1989, a premier Residential School. Looking into the success of School Education, in August 1999 BHCT ventured into the field of providing technical education by establishing **BRCM College of Engineering and Technology**. In collaboration with HKC Foundation (A Sister Concern of BHCT), **GDC Memorial College** commenced operations in the year 2011 with the aim to provide quality higher education to the youth of this remote & rural area, specifically targeting girl students who stopped their higher studies for lack of proper local facilities. An absolutely free School "**Nanhe Kadam**" having more than 250 underprivileged students is run by Gyankunj as BHCT's major SUPW, entirely managed by its captive staff & students. Lately in the year 2017, BHCT established **BRCM Skill Development & Training Centre** (BRCM SDTC) an exclusive centre to train people to become skilled & employable. Altogether, BHCT is presently enhancing learning possibilities from KG to various UG & PG programs to more than 5000 students in different institutions managed by **BRCM Education Society**.

The Trust established BRCM Law College in the year 2018. The college is nestled in more than 100 acres of lush green environment. The amalgamation of natural magnificence with modern architectural brilliance and state-of-the-art facilities provide the right atmosphere for the students to grow up through a complete participative learning process. BRCM Law College has been set up with a view to advancing as well as disseminating the knowledge of Law and disparate legal processes practiced in India. BRCM Law College will simultaneously engage in nurturing talents to contribute to social development in the field of law that encompasses advocacy, legal service, legislation, law reforms etc. The College will continue to pursue harmonious integration of valued traditions with modern outlook that constitutes the core philosophy of BHCT's educational initiatives.
